Administrative Action

AMANDA KREMUS, P.T.

CONSENT ORDER

License NO:40QA01049600

LICENSED TO PRACTICE PHYSICAL
THERAPY IN THE STATE OF NEW
JERSEY

This matter came before the New Jersey State Board of Physical Therapy Examiners (hereinafter referred to as the "Board") upon the Board's random audit of licensed physical therapists and/or physical therapy assistants pursuant to N.J.A.C. 13:39A-9.4(d) who submitted license renewal applications to engage in the practice of physical therapy for the 2008-2010 biennial renewal period. The renewal applications

submitted by licensed physical therapists and physical therapy assistants included an acknowledgment regarding whether or not the licensees had completed thirty (30) continuing education credits during the period from February 1, 2006 through January 31, 2008 as required for the 2008-2010 biennial license renewal period pursuant to N.J.S.A. 45:9-37.18(a)10 and N.J.A.C. 13:39A-9.1 et. seq.

The information supplied by Amanda Kremus, P.T. (hereinafter referred to as the "Respondent") in correspondence dated May 6, 2008 in response to the Board's audit is that she had not completed the thirty continuing education credits required upon renewal of the license to practice physical therapy although she indicated on the renewal application form that she had completed all continuing education credits required for renewal. Respondent also stated that she has not practiced in New Jersey since May 2005 although her intent was to keep her license to engage in the practice of physical therapy active.

Based upon all the available information reviewed, the Board has found that the respondent's conduct in failing to obtain thirty (30) continuing education credits in the period from February 1, 2006 through January 31, 2008 establishes a basis for disciplinary action as the Respondent did not meet the requirements for renewal of her license to practice physical therapy as she failed to obtain the requisite thirty (30)

continuing education credits within the two years preceding the renewal period as required by N.J.S.A. 45:9-37.34(d) and N.J.A.C. 13:39A-9.1 et. seq.

It appearing that the respondent desires to resolve this matter without further proceedings and waiving any right to a hearing, and the respondent acknowledging and not contesting the findings of fact and conclusion of law made by the Board; and the Board having been satisfied that the within resolution adequately protects the public health, safety and welfare; and for good cause shown:

ACCORDINGLY, IT IS ON THIS 10th DAY OF, 2008 ^{1 SEPTEMBER}

ORDERED that:

1. The Respondent's license to practice physical therapy, renewed on February 1, 2008 and in active status, will remain active on the condition that the Respondent submits documentation that she has satisfactorily completed thirty (30) continuing education credits as required by N.J.S.A. 45:9-37.34(d) and N.J.A.C. 13:39A-9.1 et. seq. within sixty days (60) of the filing date of this order. Respondent may submit satisfactory proof of completion of continuing education courses relating to physical therapy which were not pre-approved by the Board for credit if the continuing education courses met the

requirements of N.J.A.C. 13:39A-9.3(a) and the provider meets the requirements of N.J.A.C. 13:39A-9.6. Failure to comply with this condition within the stated time period will result in the automatic and immediate suspension of the Respondent's license to practice physical therapy in New Jersey without further order until such time as respondent submits satisfactory proof of completion of all required credits.

2. The thirty (30) continuing education credits taken as part of this action shall not qualify to fulfill the mandatory continuing education requirements for the 2011-2013 renewal period pursuant to N.J.A.C. 13:39A-9.2(d).

3. Respondent is cautioned in the future to obtain the requisite continuing education courses within the preceding renewal period as required by N.J.S.A. 45:9-37.34(d) and N.J.A.C. 13:39A-9.1 et. seq. and to carefully and truthfully complete all renewal applications

4. Respondent is hereby assessed a civil penalty in the amount of **\$1000.00** for her failure to obtain the thirty (30) continuing education credits within the preceding biennial licensure renewal period.

5. Payment shall be made by certified check or money order immediately upon accepting and signing of this Consent Order and sent to the attention of Lisa Petrowski, to the Board of Physical Therapy Examiners, P.O. Box 42014, Newark, New Jersey

07101.

6. Failure on the part of the respondent to pay the civil penalty timely or to comply with any of the terms of this Consent Order constitutes a violation of the Order, proof of which would constitute grounds for further disciplinary action by the Board.
